## **Introduction**

Welcome to Immaculate Conception Catholic School. An interesting, challenging and faith-filled experience awaits you as a student or parent of the school. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

**NOTE:** All the rules set forth here are for the safety of **all** our children, and **all** must follow them in order to ensure the safety of **each** student.

## **Catholic Identity/Faith Formation**

As a Catholic school, we recognize that there is no greater opportunity for parent directed religious education than your presence at Sunday Mass. It is essential to our mission as Catholic educators, in partnership with parents, that families attend Mass on a regular basis to support the Catholic education of their children. It is our expectation that all of our school families attend Sunday Mass, ideally here at Immaculate Conception Church. As the primary religious educators of their children, parents are expected to follow through consistently on this most serious obligation.

School Masses are held weekly. All students are required to attend and participate in school Masses and dress in regular school uniform (Mass uniform for Middle School).

The Sacrament of Reconciliation is available at scheduled times for the students especially during Advent and Lent. Children participate in the reception of ashes on Ash Wednesday, Stations of the Cross, regular visits to our school chapel with their class, praying of the rosary, and liturgies at the appropriate seasons of the liturgical year.

The priests of our parish are always available to our students for the Sacrament of Confession or for spiritual counseling.

## **Complaints and Grievances**

From time to time, parents may have complaints or problems with school operations. Parents are asked to follow school procedure in order to obtain information and resolution.

1. Seek facts.
2. First discuss the problem with the teacher as soon as possible.
3. If necessary, contact the principal or counselor/administrator.
4. If the concern involves another student or family, it must be handled through the principal.
5. All school issues must be directed to the principal before seeking outside assistance including assistance from the pastor.

# Academic Policies

Beginning in PK4 and continuing through grade 8, the adopted Curriculum in the Archdiocese of Miami includes instruction in the following areas:

## iPad Requirements for 6<sup>th</sup> through 8<sup>th</sup> Grade

Students in grades 6 through 8 participate in a one-to-one iPad curriculum. As such, all 6<sup>th</sup>- 8<sup>th</sup> grade students must bring their fully charged and functioning iPad to school daily. If the student's iPad is lost, stolen or damaged, the student will be provided with a rental from the main office at a rate of \$10.00 per day.

## iPad specifications:

- iPad with iOS 10.3 or later.
- iPad (3<sup>rd</sup> generation or later), iPad Air or later, iPad mini (3<sup>rd</sup> generation or later).

All incoming 6<sup>th</sup> grade students will receive their iPad from the school (charged through your FACTS account).

## Resource Program (Mrs. Jeanette Nieves)

The Resource program at ICCS is a remedial program in Reading and offered to students in grades 1 through 8 who are eligible to receive Exceptional Student Education services. To be eligible for participation, the student must have a current psychoeducational evaluation.

*\*The Resource program incurs an additional fee.*

## Homework

Homework is given for drill and practice purposes and for challenging students to read and research. Homework will not be assigned on school sponsored activity nights. This excludes sports activities. If a student forgets a homework assignment, parents may not deliver the assignment to the school office. When a student misses three homework assignments, he/she will receive a lunch detention and the parent

will be notified. If a student misses six homework assignments, he/she will receive an after school detention and a parent conference will be held.

No homework, project supplies or other any other school related supplies may be dropped off in the school office.

iPads may be dropped off if forgotten by the student no later than 8:30 am.

### Grading

The evaluation of student progress is one of the most complex and important duties of the teachers. Grades for report cards are apportioned to include class work, class participation, projects, test and quizzes. Homework will not be graded or be included in the final average.

Assignments, projects and homework are mandatory unless otherwise specified by the teacher. Failure to complete work may cause the student to receive an incomplete on his report card. A student must complete missing task(s) to remove the incomplete grade.

Students are evaluated for mastery of skill and content during each marking period. Each grade level has evaluation procedures suited to the levels of the students. The purpose of the evaluation is to assist the student with academic progress.

### Report Cards

**Grades 3 through 8<sup>th</sup>**

### Developmental Checklist

**Pre-Kindergarten 3 through 2<sup>nd</sup>**

*\*(Distributed every 9 weeks)*

### Progress Reports

Plus Portals is used to keep parents informed of their child's progress. The school does not send written progress reports. It is each parent's responsibility to check the Plus Portal database on a regular basis to remain informed as to his/her child's performance in each class. Parents experiencing difficulties with the system or who do not have computers, may contact tech support (Mrs. Gandarillas) at 305-822-6461/sgandarillas@icsmiami.org.

Parents who wish to contact teachers to monitor their child's progress must schedule an appointment with the teacher, send a note to the teacher, email them, or leave a message for the teacher in the main office. The teacher will contact the parent to set an appointment within 48 hours. If contact is not made, please contact the main office.

If a student fails to perform on grade level, the teacher, counselor or the principal may request interventions, and that the student be tested for a learning disability. If such a request is made, it is made after serious consideration of the student's needs; therefore a parent's refusal to comply may result in the student being withdrawn from ICCS.

### Grading Scale

**PK 3 through 2<sup>nd</sup> grade:** Checklist for student mastery will be used as measure of achievement

***\*Archdiocesan Grading Scale***

**3<sup>rd</sup> through 8<sup>th</sup> grade:**

100-90:	A
89-80:	B
79-70:	C
69-60:	D
59-50:	F

Behavior may also affect the student's grades. Any student who has been caught cheating is given a zero and the work cannot be made up.

Honor Roll:

Immaculate Conception Catholic School has determined honor roll eligibility for grades 4-8.

Principal's Honor Roll Criteria:

All A's in major core subjects, and all A's in special area subjects (PE, Music Art, and Spanish). Any student who receives a minus for any Active Learner Trait will not be eligible for Principal's Honor Roll. All students on the Principal's Honor Roll will receive a certificate of recognition.

Second Honor Roll Criteria:

Four or more A's in major core subjects and B's (two) in remaining core subjects, and A's or B's in special area subjects (PE, Music, Art, and Spanish).

Retention and Promotion

If a student receives an overall failing grade in two or more of the core subjects: Religion, Reading, Grammar, Mathematics, Science, Social Studies (K-8), that student will be required to repeat the grade.

Generally, all students should be promoted unless retention would enable a student to achieve academic success. Promotion to the next grade presupposes that a student has mastered the basic skills and subject matter taught to each grade level. Written notice will be given to parents indicating possible retention, and final decision on retention will be made by the end of May.

Criteria for Retention

A below average grade in Religion, Reading, Grammar, Math, Social Studies or Science may require the successful completion of summer school for promotion. A failure in two or more subject areas may require retention (K-8).

- By the end of the first quarter, the teacher may recommend tutoring or testing.
- Written notice will be given to parents indicating possible retention.
- The final decision on retention will be made in late May.

## **Section 504-Policy Statement**

## Open Admission Policy

The school has an open admission policy. No person, on the grounds of race, color, disability or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

A Florida Certificate of Immunization (Form DH 680) is required to document the administration of prescribed immunization doses or to document a permanent or temporary exemption therefrom. An exemption from immunization requirements is permissible only with a physician's certification as to the need for either a temporary or permanent medical exemption. An exemption from immunization requirements is not permissible for religious, philosophical, personal, or other reasons.

## Anti-Bullying Policy

The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct or gestures directed at a student by another student that has the effect of:

- (1) physically, emotionally, or mentally harming a student;
- (2) damaging, extorting or taking a student's personal property;
- (3) placing a student in reasonable fear of emotional or mental harm;
- (4) placing a student in reasonable fear of damage to or loss of personal property; or

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

## **Bullying/Harassment Investigation Disclosures**

While the School generally prohibits the nonconsensual disclosure of information contained in educational records, limited exceptions apply including for the disclosure to victims of bullying or harassment when disciplinary sanctions or other measures relate directly to the victim. Parents hereby consent and acknowledge that the School may, pursuant to this exception, disclose to the victims of harassment or bullying, and to their parents, any information related to disciplinary sanctions and/or other measures that relate to the harassment and/or bullying at issue regardless of whether the matters disclosed are part of an educational record.

School is in session 180 days. This is a Florida State Law. However, a student who is absent more than 20 days in a year, may not be promoted to the next grade unless the administration grants an exception and determines a way in which the student may receive additional instruction. Students are required to bring a note the following day upon returning from an absence. Summer School or retention may be required for excessive absences.

Late arrivals disrupt the learning environment for the student and his peers. All students should be in class by 7:55 am Failure to be in class by 8:05 am will incur a late arrival. Excessive tardiness may result in mandatory summer school.

Students who do not report to school by 11:00 a.m. or leave home early and do not have a valid reason are ineligible to participate in any extra curricular activity on that day.

### **Excused/Unexcused Absences:**

- **Excused:** Absences are excused for illness of student, doctor's appointment or death in the family. Please be reminded that it is encouraged that the child attend a portion of the school day before or after doctor's appointments whenever possible. Students may make up any missed work under these circumstances.
- **Unexcused:** Absences are unexcused when a student is not in school due to a personal reason such as a family trip, vacation or any activity not related to illness, medical appointment or death in the family. Students may NOT make up work under these circumstances.

### Attendance Contract

If any student accumulates a total of 10 absences or more by the end of the 2<sup>nd</sup> quarter, the student will be placed on an Attendance Contract. This contract will be executed during a scheduled parent conference.

### Parent Request For Early Dismissal

Parents who need to pick up students for dismissal before the regular dismissal time must come to the school office to sign the student out. Request for early dismissal must be made before 2:00 p.m. on regular days, and 11:30 a.m. on early dismissal days. After these times, early dismissal requests are issued only under emergency circumstances. A doctor's note will be required on the day following the early dismissal (if applicable). Early dismissal times will be accumulated on the students' records for attendance purposes.

## **Child Protective Investigations**

Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families. The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

## **Communication to Parents**

ICCS uses several media to communicate information to its families. Parents may receive paper documents such as letters, notes, and information. Student grading for those in Grades 3-8 may be viewed via Plus Portal. Official School communication may be made via e-mail. As a general rule most personnel's email address will include initial, last-name, and @icsmiami.org. Another resource of information available to parents is the school website **www.icsmiami.org**.

Traditional phone calls and messages may be made to the school office. The school has also contracted the telephone service of Rediker Notify. Rediker Notify allows the school to communicate to all or a group of parents via an electronic message that can be transmitted from school or remote location. Please be advised that the school will use your provided home and cellular numbers. Please be sure to keep those up to date. If an emergency arises that involves our school or immediate area during the school day, before 6 pm, a message will be sent as soon as possible to advise of the apprised situation. If the school needs to send out general information or requests, the calls will come in after 5 pm or on weekends.

## **Text Messaging/Telephone Calls**

The school may use text messages and automated telephone calls to alert parents/guardians of important information related to the school's mission, operations, and activities. Parents/guardians acknowledge and consent to the receipt of these messages when providing their telephone numbers.

## **Community Service Hours**

All families are required 20 hours of community service (four of these hours are to be served during the Parish Carnival). The purpose of Community Service hours is to assist our school with service or goods that would otherwise cause us to incur additional cost. We are aware that many other worthwhile activities exist; however, these do not defray the cost of regular maintenance and activities at ICCS.

Community Service hours will be given for pre-approved material donations, carnival set-up, carnival volunteer workers, recess supervision, snow cones sales, lunch supervision, morning & afternoon traffic supervision, early arrival supervision, general school maintenance, approved Home & School projects and classroom aide (approved by administration). Eucharistic Ministers may only be credited time for their documented ministry to hospital patients and shut-ins. Any other activities must be approved in advance by the administration or may not be considered. Community Service hours will not be given for parties, field days, field trips, for attending performances and ministries that are only performed during Sunday Mass.

Community Service hours may only be performed by parents and grandparents. Documentation of these hours is the responsibility of each family. Community Service hours that require student supervision require volunteers to meet the Archdiocese of Miami requirements for Level II Digital Fingerprints and Virtus Training. (See Volunteers)

## **Conduct**

Students and Parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Archbishop of the Archdiocese of Miami. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including administrative withdrawal, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook.

We want all students to realize that the observance of rules will bring happiness to themselves and others. We are very much dependent upon the parents to uphold and support our code of discipline. It is the policy of ICCS to notify and involve parents in disciplinary action. Parents are their children's primary educators and need to be aware of their behavior while at school. The reason for disciplinary consequences is teach the child limits and correct behavior. Every child has choices and consequences for those choices. Students must learn to take responsibility for their actions.

The following are expected behaviors:

- Self-Respect
- Respect Others
- Follow School & Classroom Rules

Any behavior deemed unacceptable by teachers or administration may result in detention, probation, Principal's Warning, suspension, and/or expulsion. The student is considered a student of the school at ALL times. Any student who engages in conduct, whether inside or outside of the school, that is detrimental to the reputation of the school will be disciplined. Excuses such as, "I was only kidding, joking; everybody does it," will not be accepted and will be dealt with accordingly. Immediacy of consequences is judged to be a key element in properly instructing the student as to the seriousness of the offense.

Listed below are some examples of inappropriate behavior, including but not limited to:

## **COVID-19 and related items**

Attendance at school and participation in school activities poses some risks including the transmission of COVID-19 and exposure to related variants. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from COVID-19 or other communicable diseases is nonetheless present. Parents expressly assume such risks by allowing their children to attend school and participate in school activities and/or by coming onto the school campus and attending school activities themselves.

In the event of a natural disaster, disease outbreak, or any other circumstances which in the judgment of the school administration, make it unfeasible, unsafe, or otherwise imprudent to continue campus-based education, school educational programs shall resume as soon as practical, by way of distanced learning and/or other methods. There will be no suspensions, reductions, or refunds of tuition in these circumstances.

## **Drug and Alcohol Policy**

The use or possession of illegal drugs or illegal mood altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over the counter drugs by any student on school property or while attending or participating in any school sponsored activity or at anytime the student is wearing a school uniform is forbidden. Transgression of this rule will result in disciplinary action, which may include administrative withdrawal from the school, even for a first offense.

Any student selling drugs on school property or at school functions may result in a disciplinary response, up to and including administrative withdrawal.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods in the discretion of the school administration which seek to deter the use and/or distribution of illegal drugs or alcohol.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in administrative withdrawal from the school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense. A school may conduct random searches as set forth in this handbook.

## **Electronic Acknowledgments**

Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Anytime a parent/guardian makes an electronic acknowledgment by clicking "submit" or "accept" on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians

are responsible for reviewing the contents of any electronic documents prior to making any electronic acknowledgments. In addition, **parents/guardians, by executing the acknowledgment of receipt of this handbook, hereby agree** to receive and be bound by electronic acknowledgments.

## **Extended Day Program**

The Extended Day Program is offered from 3:30 pm to 6:00 pm Monday through Friday on school days. The only exceptions are early dismissal days before Carnival, Christmas Vacation, Easter Vacation and the last day of school. The cost is \$50.00 per week for one child. A \$5.00 discount from the weekly rate will be given for each additional child in the same family. The program provides homework/study time, organized play and a snack. The charge for the program is for the entire week regardless of how many days are needed. Please refer to the School Office for further information.

## **Financial Obligations**

The satisfaction of all financial obligations to the school, including tuition and fees, constitutes a material condition for continued enrollment in the school. The school may disallow students from taking quarterly, semester, or final examinations if the parents or legal guardians fail to meet any financial obligation to the school. In addition, the school may withhold the issuance of transcripts, or any other student records, and/or disallow participation in or access to school activities and/or administratively withdraw the student if any financial obligations are not met. The school may also disallow access to Plus Portal. Furthermore, students may not participate on any sports team if tuition is not up to date.

## **Tuition**

### *2022-2023 Rates & Information*

All tuition rates and information may be discussed with our tuition manager, Ivette Roderick. She may be reached at extension 217.

## **Fundraising**

No student or family member may solicit funds in the school's name unless such solicitation has been authorized in writing by the principal.

Since tuition is not the source of funding for maintenance and upgrades to facilities and/or technologies, all families are expected to participate in school-sponsored fundraisers.

## **Field Trip Procedures**

Field trips are arranged for educational purposes. Permission slips are sent home in advance and must be returned before the trip. Only those students who meet the requirements set and return the field trip form with parents' signature will be allowed to participate. Private buses are used to provide transportation. The method of transportation will be listed on the field trip form.

Chaperones on field trips must realize that they must follow teacher's requests. Chaperones are responsible for all students assigned to them, not only for their own child. Chaperones must meet the

requirements set for school volunteers. Teachers request the appropriate number of chaperones according to the needs of the activity. For some field trips, teachers may only request a limited number of chaperones. Parents must follow the teacher's request; however, they may choose not to allow their children to participate. Siblings are not to attend field trips.

## **General Procedures**

### **Main Office Hours of Operation**

The School office is open 7:30 a.m. to 3:30 p.m. on school days.

### **Use of Phone by Students**

The use of cell phones by students during school hours (8:00-3:30) is prohibited. If an emergency arises an official school phone must be used.

### **School Visitors Expectation**

All persons entering the school during school hours must enter and register at the main office. This includes visits to the classrooms. All visitors are reminded that ICCS strives to maintain an educational environment and children learn from our example; appropriate attire is mandatory.

NO Pets allowed in the main office or on school grounds, unless it is a service pet. If it is a service pet, proper documentation must be provided upon entering.

### **Change of Address/Phone Number**

Notify the School Office of any change of address or phone number as soon as possible. This applies to both home and business and is vital in case of emergency notification.

### **Weather Emergencies**

In the event of any weather emergency such as hurricane, tornado, or flooding, stay tuned to the news channels and follow the procedures for Miami Dade County Public Schools. If the emergency arises during the school day the school will make arrangements to safeguard students; however, parents are encouraged to pick up their children. All students not picked up early by parents will be held until regular dismissal time.

### **Emergency Contact Information**

In case of emergency all students are required to maintain up-to-date emergency information with correct contact information and proper health conditions.

### **Accidents and Injuries**

All accidents on school grounds must be reported to the office immediately and parents will be notified if the seriousness of the situation warrants.

### **Health Emergencies**

In case of a serious health emergency the school will call the Health Department and notify the Department of Schools.

### **Lost and Found**

The school is not responsible for the loss of personal property, money or books. Any property found by a student should be turned in to the office.

### **Backpacks**

All students are required to have a backpack to protect their books and materials as well as take care of their personal belongings. Backpacks with wheels are only permitted in grades 3-5. If a student forgets the entire backpack and the parent delivers the backpack to the school office, it will be given to the student.

### **Parties**

Simple birthday celebrations are permitted at the discretion of the teacher and principal in Pre-K only. In grades kindergarten-8<sup>th</sup> grade, parent/designated adult may deliver cupcakes or donuts to

the school office. Please check with the classroom teacher before making preparations. Students may not bring any kind of treats/goodie bags to school for any occasion.

## **Harassment and Discrimination**

The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Archdiocese of Miami. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

## **Home and School Association (HSA)**

The Home and School Association is the official organization of the school, which provides support for parents and teachers. ICCS's HSA does not require a fee for membership; all parents or guardians of ICCS students are members. Regular meetings are held at the school before open house or throughout the year. The organization is involved in providing school volunteers, assisting the school in fundraising, planning functions to foster a feeling of school spirit, and promoting activities to improve the school. All parents are urged to be active and to support all events sponsored by the HSA.

## **Medications Guidelines**

Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary, will the school allow the administration of medication on campus, and only under the following guidelines:

1. An "Authorization for Medication" form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.
2. Medications to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.
3. While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.

Exceptions to this policy may be made for the use, supply and administration of an epinephrine auto-injection (Epipen), and as authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide healthcare interventions that go beyond a minor adjustment for a particular student. In those cases, parents hereby release the school, the Archdiocese, and their corporate members, officers, employees, affiliates and agents from any claims or liabilities that allegedly arise from or are related to the provision of those healthcare interventions that are beyond minor adjustments.

## **Peanut Allergy Policy**

In order to ensure the safety of students with peanut allergies, please notify homeroom teacher 72 hours in advance when cupcakes, donuts, or cookies to celebrate your child's birthday will be brought to school. This will give the teacher sufficient time to notify parents of students with peanut allergy or any other allergy to provide a snack for their child on that day. Under no circumstance can parents nor teachers distribute party bags and/or candy.

All allergies must be listed in Emergency Cards that are part of the registration forms. If an Epipen is necessary, it must be provided to the School Office. A meeting with all teachers that have students with allergies will be conducted at the beginning of the school year.

## **Notification of Rights under FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal [or appropriate school official] identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator,

supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-5920

## **Parental Cooperation**

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it is at school events, on or off school campus, or on social media or other public forums. Just as a parent can withdraw a child from the school if desired, the school has the right to administratively withdrawal a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

## **Private Tutoring, Coaching or Lessons**

Except as specifically noted in this handbook, the school does not sponsor, oversee, or otherwise provide private tutoring, coaching, therapy, or other similar private lessons or services. Parents who engage school staff members for the provision of these do so at their own risk and expense and are hereby advised that such services are outside the scope of the staff members employment with the school.

**Parents, by executing the acknowledgment of receipt of this Handbook HEREBY RELEASE the school, the Archdiocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of private tutoring, coaching, therapy or other similar private lessons or services, regardless of where they may occur.**

## **Public Display of Affection**

The Catholic school promotes friendship, charity, kindness, love and respect for self and others. However, inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension or administrative withdrawal. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

All students must complete the necessary requirements in order to be able to receive the sacraments. The child and their parents must attend all required activities for preparation.

The parents of all children receiving First Communion or Confirmation will be required to attend a retreat. The purpose is for parents to share the experience of religious formation on a personal level. Children will not be permitted to receive the sacraments if the family requirement is not met.

## **School Sponsored Events**

The school does not sponsor, oversee, or in any way control parties or social functions at private residences. School-sanctioned events, including all fieldtrips, excursions, or parties, are specifically identified in this Handbook or are identified in the school calendar and/or written notices generated and distributed by the school.

**Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to attendance at parties or social functions at private residences or from participation/attendance at events not identified in the school calendar or in written notices from the school, including field trips, excursions, or parties.** Students engaged in conduct that is contrary to the mission and philosophy of the school may be subject to disciplinary action regardless of whether the conduct occurred at a school-sponsored function.

## **Search and Seizure Policy**

The principal and his/her designee has access to any lockers, handbags, electronic devices, cell phones, book bags, desks, cars or any other object that is brought onto the campus of the school or any school-sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

## **Sexting**

The electronic transmission or receipt from one minor to another of any photograph or video that depicts nudity may constitute illegal sexting. Students engaged in sexting will be subject to serious disciplinary consequences which may include administrative withdrawal from school. In addition, the school administration may report instances of sexting to the Florida Department of Children and Families or local law enforcement for appropriate investigation as to violations of law. The electronic transmission of sexual explicit language by a student may also constitute grounds for disciplinary action.

## **Smoking/Vaping**

It is a violation of Florida law for any minor to knowingly possess any tobacco product, nicotine product, or nicotine dispensing device. In addition, the use of tobacco products, electronic cigarettes, and vaping carry known health risks that can be very serious. ## **Special Programs**

### **Exceptional Student Education (Resource Program)**

The goal of ICCS is to provide an education for all children. Although we are still limited, we have expanded our services to students with a variety of special education needs. If a child needs the necessary services offered by these programs the parents will be advised and must decide on their child's participation. If the parents refuse the program and their child cannot succeed in the regular classroom environment the child must be withdrawn from the school.

All students in these programs must have up to date psycho-educational evaluations with the appropriate diagnosis to qualify for these services.

The program is a service for students in Grades 1-8. This program does require an additional fee of \$2400.00 per child. Students in grades 2- 6 attend a daily resource block for Reading with a certified Exceptional Student Education teacher. This instructor is responsible for the subject area and works with the regular classroom teacher for any further accommodations. The goal of this program is to allow children to work at their own level while continuing to develop the skills necessary to eventually move into the regular classroom.

ICCS participates in the state sponsored Family Empowerment Scholarship/Unique Abilities. Students that are eligible for this program must present the necessary documentation before their acceptance to ICCS.

Required documentation for Family Empowerment Scholarship/Unique Abilities recipients:

- Most current I.E.P.
- Psycho-educational testing results or Exceptionality appropriate diagnosis and report
- Matrix for previous school year

### **Exceptional Student Education (Therapies)**

They are only one of the various indicators used to measure student performance, potential, and problem areas.

Students in 5<sup>th</sup> & 8th grades will be administered an ACRE test in October. This test is used to evaluate the student's mastery of the religion program. The results of this test will not determine student promotion.

## **Testifying in Divorce or Custody Proceedings**

The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings, which may in any way involve the dissolution of marriage or the determination of parental/custody rights. In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

Student transportation to and from school each day is a parental responsibility. The school does not authorize or endorse any private transportation arrangements. ## **Undocumented Students**

A student's enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Archdiocese of Miami may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

Any item used to threaten or cause bodily harm may be considered a weapon. In particular, the possession of any instruments or objects that can be used to inflict serious harm on another person or that can place a person in reasonable fear of serious harm will be considered weapons. Included in this category are BB guns, Airsoft guns, and toy or replica guns represented as real guns.
