			Robotics – Level 1 3:15pm–4:15pm Grades: 1st–3rd \$90 monthly	Martial Arts 3:25pm–4:25pm Grades: Kinder–5th \$95 monthly

Class Descriptions:

- Art for Beginners: Students will learn how to draw basic shape of objects including pencil line drawing, sketching and shading techniques and drawing circles and cones.
- Martial Arts: This program is an introductory blend of Brazilian Jiu-Jitsu, Wrestling, Judo and Kickboxing. Children will learn the discipline and respect of martial arts as well as obtain the ability of self-defense while maintaining and improving their physical fitness.
- Robotics Level 1: Students will learn basic motion simple machine and Newton's laws of motion, all while exploring and collaborating together.
- Theater: This introductory class will expose students to the components of improvisation, singing, dancing and acting all while building confidence and self-expression.

Tuition and Additional Fees:

- Monthly Tuition Fees are listed above per program. Programs run from September through May. Monthly payments are billed from September through April.
- A non-refundable \$35 registration fee will be collected for each student upon registration.
- Robotics & Art will have a separate \$40 non-refundable supply fee per child per session (Fall session and Spring session).
- Theater group will have a non-refundable costume deposit of \$40 per child. Remaining balances due will be billed once orders are finalized.
- Martial Arts groups will have a non-refundable uniform deposit of \$50 per child. Remaining balances due will be billed once orders are finalized.
